

World Cultural Ambassadors 2012

Each school selected and researched one of the countries invited to the festival 2012. The school children then make paintings reflecting what they learned about each country's culture and heritage.

Each School then selects two winners and transferred their paintings on to huge wooden boards, which will be displayed around the perimeter of the main Festival Arena.

The two children, the winners of the competition from each school are then invited to act as "World Cultural Ambassadors" during the Festival. They will spend one day accompanying the International Performers during their morning & afternoon concerts, workshops and at meal times, carry a Banner with Country name on Parades and Presentations, and present the groups on stage.
